Or www.horseshowsonline.com**

Academy Work-Out Classes will be judged solely on a Work-Out only—Riders will enter the arena individually. All riders entered in Work-Out class will perform individual work-out. Work-Out will be posted on Facebook page by July 12th.

Academy High Point Awards will be given out to each Academy division. Points will be tabulated for each rider entered in their 3 respective classes (Equitation, Pleasure and Work-Out). This will be similar to how the Hunter riders are given out awards at their shows.

Points are awarded for each placing in each of the rider's 3 respective classes, the rider with the highest points/score will be named High Point rider for their division. In both the WTC and the WT divisions, a High Point Award and Reserve High Point award will be awarded. For WTC there will be 14-17, 13 & under and Adult, High Point and Reserve High Point awards (for any ties, both riders will receive awards and recognition!). For the WT division, there will be High Point and Reserve High Point awards for the following divisions: 14-17, Adult, 11-13, 9-10, 7-8, and 6 & under. There are no High Point Awards given for the lead line riders. These High Point and Reserve High Point awards will not affect the schedule of the show, as they will be presented outside of the arena.

Academy: WTC classes will be split at 14 riders. WT Classes will be split at 12 riders
